Le Monde Salon & Spa

Spa Treatment Menu of Services

Massage Services:

The OHM Experience (Absolute Relaxation):

45 min \$95 / 60 min \$130 / 90 min \$175

Swedish-style massage with a hydrating and nourishing cream, focusing on the surface muscle layers for deep relaxation, stress reduction and increased blood flow; promoting an overall sense of well being.

Aloha Lomi (Loving Hands): 75 min \$150

A Hawaiian-inspired massage using long flowing strokes to calm, restore, and aid in healing the body, mind, and spirit. Promotes increased circulation, leaving you with a complete sense of harmony and balance.

Renew & Rejuvenate (Deep Tissue):

60 min \$140 / 90 min \$195

Treatment incorporates muscle stretching for an increase in range of motion. Trigger-point therapy, acupressure points, and sports therapy techniques are used to soften the deeper muscle layers, helping to relieve muscle pain. Aids in reducing negative holding patterns and helps to improve posture and balance.

Sixth Sense Magic (Neck, Shoulder, and Face)

30min \$75 / 45 min \$100

De-stress with this essential oil aroma journey, focusing on the head, neck, shoulder and facial muscles to relax, calm, and open your senses.

Blissfulness (The Ultimate Mind and Body Experience)

120 min \$295

Experience begins with an aromatic inhalation to calm the mind, followed by a back exfoliation to detox the skin and promote healthy cell turnover. Warm stones will melt away stress and tension, while increasing circulation. Finish with a rich hydrating full body massage, leaving your body and mind completely restored.

Detox & Unwind 75 min \$150 / 90min \$185

Treatment with dry brushing to exfoliate, smooth and tighten the skin while aiding in detoxification by promoting lymph flow drainage. Brushes work to stimulate and rejuvenate nerve endings. A relaxing massage follows for your mind to unwind.

Foot Treatment:

Soften & Soothe Your Soles 30 min \$75

Revitalize and refresh the soles of your feet with a salt/sugar foot exfoliation. Stretches and Reflexology to increase nerve function and promote organ detox, followed with a nourishing massage to relax, renew, and soothe your soles.
